

SALEEM SHEIKH
MBA, B.S, MCSE, MCT

About The Instructor

Saleem Sheikh has been successfully doing job workshops at a national level with many years of experience in the field and many success stories. Saleem has been a trainer, speaker and radio host focused on helping the community get back on its feet and help unemployed people get jobs.

Saleem is the author of the book “Get a Job Fast.” He has also presented free job workshops at VA facilities, State Rehabilitation Offices, Workforce Commissions, Community Centers, Nonprofits Organizations, Libraries, Mosques, and State Prisons.

Please see testimonials at: www.getjobinaweek.com/testimonials.html

- Saleem Sheikh has been a successful entrepreneur for almost two decades. Involved in multiple business ventures, he has become adept at creating solutions to existing problems in a wide variety of fields. He is an **MBA, Mechanical Engineer**, Microsoft Certified trainer, and **State Certified Instructor** with **Department of Consumer Affairs** and a **Certified Educational Director** with Bureau for Private and Postsecondary and Vocational Education. He has managed and owned multiple businesses along with a private postsecondary education center simultaneously. He has been a business advisor, trainer, career/educational counselor and motivational speaker for quite some time.
- As CEO of US Computers, Inc., Saleem takes special interest in helping the disabled community and individuals returning to school to utilize customized computers and assistive technology. His expertise in adaptive technology enables people with disabilities to become a part of mainstream society in the job market in the quickest and most economical way possible. He believes that:

“Computers can be a powerful tool for enabling people to learn, work, create, and communicate in ways that might otherwise be difficult or impossible”

- Saleem has been a concerned and outspoken citizen in these tough economic times. He has brought proposals for the country’s economic recovery. His plans for solving the housing market dilemma have been printed in several community newspapers. Two community papers gave full page coverage to Saleem's proposals and were brought to the attention of **Former Governor Schwarzenegger** and **President Barack Obama**. Saleem has also written solutions to improve the job market and stimulate the revitalization of the auto industry which was discussed in Board Meeting of **General Motors**.

Uzma Sheikh has been involved in various Job workshops alongside Saleem. She also has many years of experience in helping jobseekers and making them successful in their career goal. She is a speaker, certified instructor and director of education from Department of Consumer Affairs for California. She helps volunteer in various charitable events, supervise young kids in teaching them spirituality and to help the youth be a good citizen, be involved with each other for good cause.

Staff: We have a staff of about six administrative assistants willing and ready to help as a back office resource for each and every veteran in their job search.
