

Are You a Recent Graduate? Are You Looking for a Job?

New Ways to Look for Work

Whether you're looking for your very first job, switching careers, or re-entering the job market after an extended absence, finding a job requires the latest tools to successfully enter the job market. Our Workshop Series is designed to give the veteran a thorough understanding of the proper job search methodology. It will help you to find and retain employment regardless of the country's economic conditions. Our training will teach you the current job market trends and how to market yourself in this competitive environment.

Successful completion of our workshop series will teach you:

- How to Build Your Qualifications
- How Prepare for The Job Interview
- The Most Important Job Skills Wanted by Employers
- How to Research the Company were you are applying

Also many other techniques that will enable you to increase marketability and find employment faster. Below is a brief description of the courses that will prepare you to find the success you deserve in your new career.

Marketing Yourself for Employment

This is a hands on, workshop based training, designed to give the student a thorough understanding of how a well-planned job search methodology will help in finding a job, and getting employed, regardless of the country's economic conditions. Veterans will learn how to make the most of their military/past experience, and apply it to their current job search. This course provide various techniques used to write the a perfect resume and cover letter designed to locate an employer that matches your job search. The student will become more marketable by knowledge of most commonly used websites, personal networking skills, temporary placement agencies and more

Job Placement Assistance

In the challenging job market of the last couple of years, it is now more important than ever for the job seeker to develop and to apply the most effective strategies in their efforts to acquire gainful employment. In this course you will acquire a thorough understanding of how the proper job search methodology will help in finding employment regardless of the country's economic conditions. This is a very fun, very hands-on course.

VA Approved Courses

All workshops included in this training package are VA Approved for Veterans participating in The Chapter 31 program. Students enrolled in these courses will be eligible for Subsistence Allowance upon attendance certification by the school.
